This is the first step in the MI-HOPE application process, once completed the application will be forwarded to a subrecipient agency based on zip code, that subrecipient agency will utilize its written program guidelines to establish funding priorities and their individual selection process and criteria. Each subrecipient agency may elect to collect additional documentation at their discretion. Cass County subrecipients are the Village of Cassopolis and Southwest Michigan Community Action Agency.

Applications for residences in the Village of Cassopolis will be administered by the Village of Cassopolis who received \$300,000 in funding. All other residences in Cass County will be administered by Southwest Michigan Community Action Agency who received \$500,000 in funding.
