

Halloween 🎃

The Village has received several inquiries from residents asking if Halloween will take place this year in light of Covid-19.

- Halloween is not a Village sanctioned event, but rather a nationally recognized holiday. Other than announcing the suggested hours (usually 6:00 PM to 8:00 PM), the Village has no further involvement. The Village has no legal authority or basis to cancel Halloween or restrict the free movement of its residents.

- All residents who participate, however, should adhere to any public health recommendations from the State of Michigan and Van Buren/Cass County Health Departments. Be safe and use common sense such as:

- * wear a mask

- * social distancing if not in the same household

- * any household with a positive case should not participate

- * any individuals with symptoms should not participate

- * give out candy in a Covid-friendly manner in individual packages instead of using a large candy bowl that could become a germ factory

- * follow any other guidance from public health officials

- Be smart, be safe and have fun!
